

REMARKS

Claims 2-13 are all the claims pending in the application.

Claims 2-4 are amended to describe features of independent operation of the photography devices and processing devices. The Examiner's reliance on the single camera disclosed by Cohen to each any independent operation is inappropriate in view of the form of plural devices described by the claims.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
